Dear Sir:

Subject: Contract PO-660
Labor Rates

On October 3, 1958 I forwarded to you a proposed Appendix IX setting forth "Contract Hourly Rates" for a period through September 7, 1958. I believe we have already processed one invoice against that schedule to which Cy has appended a note indicating that the rates are satisfactory.

Confirming my telephone conversation of today, we should like to propose that the rates on Appendix IX be used through the end of our fiscal year on December 29th.

May we please have a contractual amendment setting forth these rates at your convenience.
